

Walls and Churches Survey

Name and/or location
 e.g. 'Wall by Mistley Post Office' or
 'St Mary's Broomfield'.
 Give grid reference or postcode.
 Please write clearly.
 Take photos if possible.

Frequency Categories – tick in the appropriate column in the table.

A Abundant – a large proportion of the wall(s). (A * = estimated at over 90%.)

C Common – over c.50 and up to about 50% of total.

O Occurs – around 10 to 50

R Rare – less than about 10; often only one or two seen.

See www.erms.org/walls-survey for detailed notes & information.

| | A | C | O | R | Individual notes; oddities, questions... |
